
Hypertension

An Official Journal of the American Heart Association

Hypertension

(ISSN 0194-911X) Published monthly at the Scientific Publishing Office, American Heart Association, 7320 Greenville Avenue, Dallas, TX 75231.

Hypertension (Volume 13, 1989) is not related to any other publication in the field of hypertension medicine except for *Recurring Bibliography of Hypertension*, also published by the American Heart Association.

Subscription Rates

Annual subscriptions accepted at any time. Subscription rates for Japan and Europe are available through respective exclusive agents. **All orders for Japan** must be sent to Nankodo Co., Ltd., 42-6 Hongo 3-chome, Bunkyo-ku, Tokyo 113, Japan. **All orders for Europe** must be sent to Harcourt Brace Jovanovich, Ltd., Foots Cray High Street, Sidcup, Kent DA14 5HP, England.

Individuals may subscribe to *Hypertension* for their personal use at the following rates: \$80 in the United States; \$110 outside the United States, Japan, or Europe. Interns, residents, and medical students are eligible for a reduced rate if payment is accompanied by a letter from the department head verifying post held and completion date. Special reduced rates are \$40 in the United States, \$55 in Canada and Mexico. Subscriptions for libraries, reading rooms, and other multiple-use institutions are available at special rates; contact the AHA for details. Remittances for subscriptions outside Japan and Europe must be made by check, draft, post office or express money order in U.S. dollars drawn on a U.S. bank payable to the American Heart Association with *Hypertension* on the face of the check. Payments can also be made by VISA or MasterCard if account number, expiration date, and name as it appears on the card are furnished. Issues will be mailed after payment is received. Prices are subject to change without notice. Single copy rates are available upon request.

Editorial Correspondence

Allyn L. Mark, M.D., Editor-in-Chief, *Hypertension*, 609 MRC, Cardiovascular Center, College of Medicine, University of Iowa, Iowa City, IA 52242; telephone (319) 335-9160, FAX (319) 335-9169.

Business Correspondence

Publishing Director, American Heart Association, 7320 Greenville Avenue, Dallas, TX 75231.

Hypertension

Hypertension is a forum for the presentation of scientific investigation of the highest quality in the broad field of cardiovascular regulation as it may affect high blood pressure research. The editors are interested in receiving original articles that deal with either basic or clinical research in the fields of biochemistry, cellular and molecular biology, immunology, physiology, pharmacology, and epidemiology. In addition, an important part of the journal is reserved for articles on clinical investigation that yield insight into the mechanisms of blood pressure regulation.
